**SUFFOLK COUNTY COMMUNITY COLLEGE PROFESSOR GERALD
REMINICK PUBLISHES LATEST BOOK**

Selden, NY - Suffolk County Community College's Gerald Reminick, Professor Emeritus of Library Services, recently published *Return to Our Pond, Another Year in the Life of St. John's Pond* by Glencannon Maritime Press.

In 2004, Professor Reminick's *Our Pond* described the charm, beauty and fascination of St. John's Pond in a year-long diary of thoughts, photographs and poems. Two years later, the author now describes, with care and feeling, the changes that have occurred at St. John's Pond in this touchstone of peace and serenity that is best read day by day, allowing the reader to reflect on the joy of life and the beauty of nature.

A portion of the profits from the sale of *Return to Our Pond* will be donated to the St. John's Summer Day Camp and the Volunteer Fund of the Long Island Chapter of the Nature Conservancy.

In addition to his work on *Our Pond*, Professor Reminick has also published eight books on the topic of the U.S. Merchant Marine and Navy Armed Guard. He is currently working on a series of children's books.

About Suffolk County Community College

Suffolk County Community College (SCCC) is the largest community college in the State University of New York (SUNY) system, enrolling approximately 26,000 students at its three campuses in Selden, Brentwood and Riverhead. SCCC offers the Associate in Arts (A.A.), Associate in Science (A.S.), and Associate in Applied Science (A.A.S.) degrees, as well as a variety of certificate programs. Offering affordable college tuition, a highly respected Honors program, extensive extracurricular activities, championship athletic teams, and numerous transfer programs, SCCC is a first-choice college for Long Island students.
