**SUFFOLK COUNTY COMMUNITY COLLEGE'S WOMEN'S VOLLEYBALL TEAM
SET TO PARTICIPATE IN *DIG PINK* FUNDRAISER TO FIGHT BREAST CANCER**

Selden, NY – The Suffolk County Community College Women's Volleyball Team will once again participate in a *Dig Pink* Volleyball match to raise funds to support breast cancer education programs and research efforts. This year's match will take place on Thursday, October 11th at 6:00 p.m. in the Brookhaven Gymnasium on the Ammerman Campus in Selden, where the team will play Nassau Community College in a best-of-five-games series.

In lieu of admission, donations will be accepted at the door or can be mailed to the College's Athletics Office, c/o Joseph Kosina-Room 110, at 533 College Road in Selden, NY 11784. Checks should be made payable to the Suffolk Community College Association. All donations are tax deductible and will go to the Side-Out Foundation, which was established in 2004 to unite volleyball players and coaches and to have them work toward the common goal of furthering breast cancer awareness, education and patient services.

The term "side-out" refers to a situation in volleyball when one team wins a point while its opponent is serving, thereby regaining serve or control of play. It is hoped that this Foundation will do the same for breast cancer patients, providing them with the support, education and best available treatments to resume control of their lives. Through volleyball tournaments, clinics and other events, the Side-Out Foundation raises funds to donate to organizations that support the ideal of a cancer-free world.
