

Campus Tours

The Ammerman Campus is pleased to offer you the opportunity to visit the campus and have a tour provided by one of our Suffolk County Community College students.

Our student guided tours begin in the Admissions Office which is located in Suite 103 of the Ammerman Administration Building. The tour is preceded by a brief presentation. Please give yourself 60-90 minutes for the tour and presentation.

Tours are offered most Thursdays during the fall and spring semesters at 3:00 p.m.

To reserve your place on the tour, please call (631) 451-4022 or email us at ammermancampustours@sunysuffolk.edu indicating the date you would like to visit us.
