

## **FALL 2010** Day, Evening and Weekend

Suffolk County Community College is a unit of the State University of New York

## SCHEDULE OF CLASSES

### **Registration Dates**

Priority registration begins: April 12, 2010

Open registration begins: April 19, 2010

Late registration for day classes begins: August 23, 2010

Day classes begin: August 30, 2010

Late registration for evening classes begins: August 25, 2010

Late registration for Saturday/Sunday classes begins: September 5, 2010

Evening classes begin: September 1, 2010 Saturday classes begin: September 11, 2010

Sunday classes begin: September 12, 2010

Senior citizen registration for day classes: September 3, 2010 (10:00 a.m. to 3:00 p.m.) Senior citizen registration for evening classes: September 7, 2010 (10:00 a.m. to 3:00 p.m.)

## **Late Registration Policy**

Late registration begins one week prior to the official start of each session (day, evening, Saturday/Sunday). A late registration fee applies to all new registrants. Registration for a course is permitted up until the day before the class is scheduled to begin. (Exceptions to this policy may be approved by the Office of the Campus Dean.)

Late registration begins on the following dates:

\*August 23 for day classes

\*August 25 for evening classes

\*September 5 for Saturday and Sunday classes

**Important Notice:** Registration for online courses (D2L) will be permitted until September 1, 2010.

To register and pay your tuition online visit mysccc.sunysuffolk.edu.

Establish your Username and Password and be sure to activate your Live@Edu e-mail account to receive important messages.

Students who have holds on their registration or require an Note: advisor's signature cannot register online. Instead, please register in person at the campus Registrar's Office.

Register online 8:00 a.m. to 10:00 p.m. / 7 days a week.

Please check the College Web site for updated course information and seat availability at www.sunysuffolk.edu

#### ATTENTION NON-DEGREE STUDENTS

## New Registration Policy Regarding Prerequisites

Beginning with registration for spring 2010 courses, all non-degree students will need to verify that they have met course prerequisites before they will be permitted to register for courses that have pre-requisite requirements.

As a non-degree student, you will now need to provide evidence that you have satisfied prerequisites by showing documentation, such as prior transcripts, Regents examination scores, or other test scores, such as SAT, ACT or Advanced Placement scores.

If a course requires writing, reading, or mathematics as a prerequisite, and you cannot verify your level of skill in any of these areas through transcripts or test scores, you may opt to take SCCC's college placement test (CPT).

If you have documentation which shows that a prerequisite was met, you can present this documentation, along with a prerequisite waiver request form (available on MySCCC), either in person or via e-mail or fax to an academic dean. Please select the dean who is associated with the campus on which the desired course is offered (from the choices below). **Note**: Decisions on prerequisite approval may be e-mailed to your college e-mail account, so be sure to activate your account on MySCCC. If you have questions concerning this policy or its procedures, please call the appropriate office number.

Ammerman Campus: Dr. Sandra Susman Palmer

**VEHICLE** REGISTRATION and **PARKING** INFORMATION

All motor vehicles on campus, including motorcycles, must be registered with the College and display the appropriate decal. You can order your parking permit by visiting the College Web site at www.sunysuffolk.edu and logging into MySCCC, the student portal. At MySCCC you will see information on how to order your parking permit. You may purchase your parking permit only after you have registered for classes and paid your bill. Please be sure to park in student-designated areas only (within white lines). A brochure on traffic and parking regulations may be obtained at the

Public Safety Office on your campus. It is also available online at:

http://depthome.sunysuffolk.edu/LegalAffairs/Docs/BOTPolicies/TrafficandParkingRegulations.pdf

ADVISEMENT

All currently enrolled students are directed to an appropriate office for advising services. Students should log into MySCCC for more information, and for specific advising locations on each campus.

PRIORITY **REGISTRATION** 

Priority registration for currently enrolled students will take place for the fall 2010 semester between April 12 and April 18, 2010. You should plan to register during this week in order to get the best selection of courses at the best possible times. Open registration for all students begins on April 19.

SAIN

#### STUDENT ADVISEMENT INFORMATION NOTICE

Your SAIN is available on the College Web site at MySCCC. It lists the requirements for your curriculum, the courses you've taken, and the courses you still need in order to graduate. It also includes your assigned date for priority registration, information about where to get advisement, and whether you need an advisor's signature before you register.

#### **IMMUNIZATION**

ANNEX -

All students born on or after January 1, 1957, who are enrolled in a degree program must comply with the New York State Immunization Law. Compliance means proof of:

- 1. two measles immunizations (on or after 1/1/68)
- 2. one rubella (German measles) immunization (on or after 1/1/69)
- 3. one mumps immunization (on or after 1/1/69)

Contact your campus Health Services Office for additional information.

In accordance with College policy and New York State law, students enrolled at Suffolk County Community College must acknowledge that they received information about meningococcal disease and vaccination, and indicate that they either received the vaccination within the past 10 years or decided not to take the vaccination. Students who do not submit the required acknowledgement will be blocked from registration and are subject to withdrawal.

#### **CREDIT COURSE REFUND POLICY FOR FALL 2010**

#### How Refunds Are Determined

The date of your official withdrawal determines what tuition and refundable fees (if any) you will receive or have credited to your account. Please consult the hours of operation of Registrar's Offices or go online to complete your transaction. This table gives you the refund dates for the FALL 2010 semester. The College makes all refund payments by check regardless of how you paid your bill. Refunds are processed after the final add/drop date for each semester.

	Day Classes	Evening Classes	Saturday and Sunday Classes
A 100% tuition refund will be granted through:	8/29	8/31	9/11
A 75% tuition refund will be granted:	8/30 - 9/5	9/1 - 9/7	9/12 - 9/18
A 50% tuition refund will be granted:	9/6 - 9/12	9/8 - 9/14	9/19 - 9/25
A 25% tuition refund will be granted:	9/13 - 9/19	9/15 - 9/21	9/26 - 10/2
No refunds will be granted on or after this date:	9/20	9/22	10/3

Note: Requests for refunds will not be considered after the refund period is over.

#### **Course Withdrawal**

During the official add/drop period (approximately three weeks from the start of classes), you can drop a course on the Web at MySCCC or by completing a DROP form. To withdraw from courses for any reason, a student must officially notify the College by completing a WITHDRAWAL form. Both forms are available at the campus Registrar's Office or on the College's Web site (www.sunysuffolk.edu). Non-attendance in a course, verbal communication with College offices or instructors, or stopping payment on a check are not considered official notification of withdrawal.

#### Your Liability to the College

By registering for classes, you have incurred a liability to the College for related tuition and fees. Students are responsible for all unpaid charges in accordance with College policies and the refund policy. Certain College fees are non-refundable. Please refer to the College Catalog or your bill. Unpaid balances are subject to interest and collection expenses that will be added to the outstanding balance.

Financial aid recipients who have a zero balance must officially withdraw to avoid losing present and future financial aid awards. Withdrawal from a course can result in changes to financial aid eligibility and award amounts. In the case of complete withdrawal from the College, students awarded federal Title IV financial aid will be subject to proration or reductions.

#### NOTICE OF STUDENT PRIVACY RIGHTS

Suffolk County Community College complies with the Family Educational Rights and Privacy Act (FERPA). This act protects the privacy of education records and provides guidelines for the correction of inaccurate or misleading data. Students also have the right to file complaints with FERPA if the institution allegedly fails to comply.

Copies of FERPA, as well as copies of the College's records policy, may be found on all campuses in the Offices of the Deans of Student Services, as well as the Legal Affairs and Compliance Office and the Office of the College Registrar (NFL Building, Ammerman Campus).

Questions regarding FERPA may be referred to the Deans of Student Services or the College Registrar.

#### PUBLIC NOTICE DESIGNATING DIRECTORY INFORMATION

Suffolk County Community College designates the following categories of student information as public or "directory" information. This does not mean, however, that the College will indiscriminately release such information about students. Requests for directory information on *all* SCCC students or *categories* of students will generally not be honored. Release will be restricted to information on individual students only, with each request considered on an individual basis by the Deans of Student Services and/or the Registrar's Offices. Suffolk County Community College designates the following items as directory information:

Name E-Mail Address Prior School(s) Attended

Address Major Field of Study Height and Weight of Members of Athletic Teams

Telephone Number Dates and Status of Enrollment Photograph Degrees and Awards Received

Date of Birth Past and Present Participation in Officially Recognized Sports and Activities

Currently enrolled students may withhold disclosure of directory information. To request nondisclosure, you must provide written notification to your home campus Registrar's Office. Suffolk County Community College assumes that the absence of the written request for nondisclosure of directory information indicates approval for disclosure.

Distance Education   Seneral Information			

#### Is Distance Education for You?

- Do you have the discipline to handle independent assignments and the motivation to meet deadlines?
- Do you have a work schedule that conflicts with SCCC's classes?
- Do you have children who require you spend time at home?
- Are you looking for a challenge?

#### What is Distance Education?

Distance Education is defined by Suffolk County Community College in its broadest context to be inclusive of those teaching/learning methodologies and strategies that are computer-based and technology-mediated. The basic premise of distance education is to allow students to participate in the learning process from a distant location and not necessarily in real time. Synchronous distance learning classroom courses are conducted in real-time and at more than one campus location. Asynchronous courses are those in which the course content, assignments and all student/student or student/faculty interactions are conducted online via computer over the Internet. Blended courses meet both on-campus and online during the semester. Distance learning courses are intended for students who may find that distance education suits their learning needs or lifestyles better than traditional on-campus instruction and these courses are offered to ensure maximum accessibility to Suffolk County Community College's extensive educational opportunities.

**Distance education courses** are attractive options for individuals who are **self-motivated** and **can work independently** in a less structured learning environment. Distance education courses are fully credited college courses. There is no difference in WHAT you are expected to learn. It is the WAY you learn that is different.

#### Who should enroll?

As with any College course, you should enroll in distance education courses only if you are serious about studying college-level material each week without leaving your home to come to campus. Many students report that distance education courses actually require MORE work than traditional on-campus courses. These same students also report that they learn just as much, if not more, from a distance education course.

Those who succeed as distance learners

- are highly motivated
- are independent
- are active learners
- have good organizational and time management skills
- have the discipline to study without external reminders
- can adapt to new learning environment.

The above are precisely the qualities needed to succeed in any learning environment, but the distance learning context puts special pressure on learners to be both independent and self-disciplined. Success in fully online asynchronous courses, as example, depends on a combination of personal motivation, the ability to understand and use computer technology, self-direction in managing coursework deadlines, and a willingness to use solely the written word to communicate with both the instructor and classmates.

A "Self-Test" is available on the College's distance education Web site at: <a href="http://department.sunysuffolk.edu/DistanceEducation/">http://department.sunysuffolk.edu/DistanceEducation/</a>. It can provide you with an analysis of whether or not you are a good candidate for distance education. <a href="Remember">Remember</a>: These modes of learning require discipline and the ability to work independently according to a schedule that is largely self-determined.

It is important to note that distance education courses are equivalent to that of oncampus courses. Credits can be applied to SCCC degree programs and are transferable. There is no limit to the number of distance education courses you can apply toward a degree.

## What about tuition, fees and registration?

Admission and registration procedures for distance education courses are the same as for on-campus courses. Tuition, including fees, for education courses is the same as for all other credit courses. Consult the College Catalog or Web site for these particulars. For all distance education courses, there is an additional \$65.00 fee.

For additional information on SCCC's distance education courses and programs visit our Web site

http://department.sunysuffolk.edu/ DistanceEducation/

#### **Important dates:**

For specific information on when a particular distance education course starts, meets, and ends please consult the online 'Class Schedule Listing' in Banner Self-Service or your individual course schedule.

The start date for blended courses is August 30, 2010.

The start date for fully online courses is September 1, 2010.

The end date for blended courses is December 21, 2010.

The end date for fully online courses is December 17, 2010.

DL Classroom courses meet during August 30 to December 21, 2010 term; consult the 'Class Schedule' for actual on-campus meeting dates and times. Depending on the course and instructor, you may have ability to access your fully online course up to one week prior to the start date.

Online and Blended courses can be accessed through the MySCCC portal, My Courses tab and by using a link to the Desire2Learn (D2L) server.

Make SURE TO SIGN IN to your online course in D2L before September 3, 2010 or risk receiving an automatic withdrawal "W" grade.

#### **SCCC's Distance Education Modalities**

#### **ONLINE COURSES**

ONL Courses that are fully online. Desire2Learn (D2L) is the preferred online course application in use by SCCC. Designated in the Class Schedule Listing as 'Online-Desire2Learn-D2L Instructional Method.'

Online courses are instructor-designed and accessible only over the Internet. You must own or have access to a computer on which you can install software and the ability to connect to the Internet through a provider. Online courses are neither time nor place bound. You may work at your own pace at any time of the day or night. Keep in mind that you must pay close attention to course deadlines in order to complete the course successfully. Most instructors require you to log in and complete assignments at least once per week, and many expect participation throughout each week. Make sure to check online at the earliest opportunity for your course requirements. The mechanism for receiving assignments, for turning in assignments, and for discussion with your instructor and your fellow students is built into the software and is integrated with the course content.

The preferred application in use at SCCC for online learning is Desire2Learn (D2L). Fully online courses are a type of asynchronous mode of learning.

#### **BLENDED COURSES**

BLD These sections will be offered as blended courses using Desire2Learn (D2L). After you have registered for this class and met with your instructor, visit the MySCCC portal to access the online-based component to your course. Designated in the Class Schedule Listing as 'Blended Class with D2L Instructional Method.'

Blended courses <u>combine</u> on-campus meetings with your instructor as well as your classmates along with an online component. The online course component is instructor-designed and accessible only over the Internet. You must own or have access to a computer on which you can install software and the ability to connect to the Internet through a provider. The online course component is neither time nor place bound. You may work at your own pace at any time of the day or night. Keep in mind that you need to pay attention to course deadlines in order to complete the course successfully.

#### DISTANCE LEARNING CLASSROOM COURSES

DLC These courses are lecture courses that use distance learning classrooms located at Ammerman, Eastern, and Michael J. Grant campuses. Class meetings are in real-time and you will generally participate at your local campus. These are designated as 'Distance Learning Classroom Instructional Method' in Class Schedule Listing.

Distance learning classroom courses are offered simultaneously at SCCC's three campuses in specially equipped high-tech classrooms. The instructor teaches over live interactive video from one campus while students take the course at any of the three campuses. Your commuting time between the campuses is eliminated and the availability of courses or sections of courses that might ordinarily be cancelled due to low enrollment at any one campus is increased. These courses are considered to be a synchronous or real-time mode of learning.

#### **Textbooks**

Ordering Textbooks Online: Textbooks and supplies can be obtained online through the College bookstore located on each campus. The bookstore is located online at <a href="http://www3.sunysuffolk.edu/Academics/bookstores.asp">http://www3.sunysuffolk.edu/Academics/bookstores.asp</a>.

#### **Out-of-County Enrollment**

Considerations for out-of-county residents: Non-residents of Suffolk County will be charged double tuition. However, your county will pay half of your tuition. Follow these simple steps:

- 1. Obtain an official Certificate of Residence signed by your county clerk.
- Mail the Certificate of Residence to Linda Jimenez, Central Business Office NFL Bldg., Suffolk County Community College, 533 College Rd., Selden, NY 11784.
- 3. If you have any questions, contact Linda Jimenez at (631) 451-4806 or jimenel@sunysuffolk.edu.

## Important Online and Blended access and login information

It is essential that students have access to the MySCCC Portal to be able to log on to the Desire2Learn server when taking fully online or blended courses! Be sure you are able to logon to MySCCC prior to attempting to connect to a D2L-based course into which you are enrolled. If you cannot access and use the MySCCC portal, you will not be able to link to D2L or participate in your online-mode distance education course at SCCC. Students enrolled at SCCC and having used the MySCCC portal during or after the fall semester of 2008 should have an existing account that recognizes your username and password. New students MUST activate their MySCCC portal account before gaining access to the portal itself or to D2L. It is up to the student to be sure he/she can access MySCCC portal.

#### Need help accessing Distance Education online?

For general information on distance education at SCCC, go to the following Web site: http://department.sunysuffolk.edu/DistanceEducation/index.asp

For distance education course issues, call **Distance Education Assistance** at: (631) 451-4443. Callers will be directed to College departments and resources that best match the need, by selecting available options.

For issues concerning the access and use of the MySCCC portal visit:

http://depthome.sunysuffolk.edu/liminis/ login\_lssues.htm
