Students who do not possess an official SCCC ID Card will be charged a \$25.00 "ID Card Non-Compliance" Fee.

College policy requires you to carry your ID Card with you at all times on campus, and present the Card upon the request of Security or other college officials.

Your ID Card provides photo identification, library privileges, instant computer lab check-in and student discounts.

You may replace a lost or stolen card. Simply visit your campus Cashier's Office, pay the \$10.00 replacement fee and take your receipt to one of the ID Card stations on campus. \*
