This credit-based federal loan is available to parents of dependent undergraduate students who are enrolled at least half-time (6 credits per semester) in an eligible program leading to a degree or certificate.

- You must be the parent (custodial or non-custodial) or stepparent of the student. A stepparent is eligible to borrow a PLUS loan if her/his income and assets would be taken into account when calculating the dependent student’s EFC. A legal guardian or another relative cannot apply.
- You must be a U.S. citizen or eligible non-citizen.
- This loan is based on approved credit. The applicant cannot be 90 days or more delinquent on the repayment of any debt; or the subject of a default determination, bankruptcy discharge, foreclosure, repossession, tax lien, wage garnishment, or write-off of a Title IV debt during the last five years.
- While the annual loan limit is the student’s cost of attendance minus any estimated financial aid received, it is HIGHLY recommended that you wait until the receipt of the student’s first bill in order to more accurately determine the amount to request.
- This loan is offered through the federal government and offers a fixed interest rate of 7.21%.
- This loan has an origination fee of 4.292%. Therefore, 95.708% of the gross loan will be disbursed to the school.
- Repayment begins 60 days after final loan disbursement unless a deferment is granted through the Direct Loan Servicer.

How to Apply

- Student must complete the 2014-15 FAFSA application (www.fafsa.ed.gov).
- Submit a Federal Direct Parent PLUS Loan Request Form to the appropriate financial aid office (see mailing and contact information below).
- A credit check will be performed by the U.S. Department of Education. Written notification of your credit check results will be sent to you.
- If credit is approved and this is your first time borrowing a Federal Direct PLUS loan, complete the Federal Direct PLUS Loan Master Promissory Note (MPN) online at studentloans.gov.
- The loan amount will be posted to your student’s Suffolk County Community College account and appear as anticipated aid against your student’s bill once your credit is approved and your parent MPN has been signed.
- Disbursement will not occur until after the start of the term and after all other requested information has been received and processed by the financial aid department.
