Traffic and Parking Regulations

The following traffic and parking regulations are designed for the safety of all members of the College community. We ask your cooperation in complying with them and all other campus policies and procedures. Thank you for your cooperation.

VEHICLE REGISTRATION

With the exception of official visitors, all motor vehicles on the campus, including motorcycles, must be registered with the College. If there is an occasion when you have to drive an unregistered vehicle onto the campus, you must obtain a temporary parking pass from campus Public Safety.

PARKING PERMITS

All students, faculty, staff and administrators must have a valid parking permit in order to park on College property. Permits can be obtained on-line through the student or faculty/staff portal. Click on the parking permit link and follow the instructions for registering your vehicle, more than one vehicle can be registered with the College. After completing the registration process, a parking permit will be mailed to the address you provide. Permits are transferable to other vehicles. ALL vehicles must be registered with the College. For those persons who do not have access to a computer at home, computers are available at all campus libraries and computer laboratories.

DISPLAY OF PERMIT

All permits are to be displayed in the front windshield on the lower right (passenger) side. Failure to properly display a permit may result in a summons being issued. The permit decal can be moved from one vehicle to another, so long as each vehicle has been properly registered with the College.

Parking permits obtained through misrepresentation or other unauthorized means are void, and appropriate disciplinary action will be taken against offenders. Parking permits are issued to the person and not to the vehicle.

SPEED LIMIT AND PEDESTRIANS

The speed limit is 15 miles per hour while on the College campus. Pedestrians have the right of way in all marked and striped pedestrian roadway crossings. Please be courteous and yield to pedestrians and oncoming vehicles.

PARKING

Parking spaces are designated for use by members of the College community according to the following color coding:

- WHITE for students
- RED for faculty, staff and administrators
- BLUE for handicapped

Motor vehicles must be parked between the lines. Parking along any roadway or in restricted areas is not permitted. The College, having marked approved spaces, is under no obligation to mark all areas where parking is prohibited. Parking is permitted in designated spaces only. These spaces are marked by parallel lines.

RESTRICTED AREAS

Fire Zones (yellow):
Areas within 15 feet of a fire hydrant or fire standpipe are fire zones. Each loading zone is a fire zone. No parking is allowed in fire zones at any time.

Fire Lanes (yellow):
Fire lanes in parking fields and elsewhere are identified by yellow striping. No parking or "standing" is permitted in these lanes at any time.

PARKING FOR THE PHYSICALLY DISABLED (blue):
Only those having a town or state permit may park in these areas.

SIDEWALK and GRASSED AREA
