**SUFFOLK COUNTY COMMUNITY COLLEGE PRESENTS
*THE SHAPE OF THINGS ON THE AMMERMAN CAMPUS FROM
APRIL 28 - MAY 8, 2011***

Selden, NY –The Theatres at Suffolk County Community College will present *The Shape of Things* by Neil LaBute in Theater 119 in the Islip Arts Building on the Ammerman Campus in Selden on March 16, 17, 18 19, 23, 24, 25 and 26 at 8:00 p.m. and March 20 and 27 at 2:00 p.m.

LaBute's work is an intense and gripping study not only of the uses of power within human relationships, but also of the ethics involved in the relationship of art and life. To what extent is an artist licensed to shape and change her medium or to alter the work of another artist? At what point does creation become manipulation, and at what point does creation destroy? Or, is this new Adam, handsome and confident – if heartbroken - an admirable result of the most challenging artistic endeavor? *The Shape of Things* challenges society's most deeply entrenched ideas about art, manipulation and love. *The Shape of Things* is directed by Suffolk County Community College Professor Thom Bovino.

For tickets, ticket prices or additional information call the box office at 631-451-4163 or visit www.sunysuffolk.edu/Spotlight.

About Suffolk County Community College

Suffolk County Community College (SCCC) is the largest community college in the State University of New York (SUNY) system, enrolling approximately 25,000 students at its three campuses in Selden, Brentwood and Riverhead. SCCC offers the Associate in Arts (A.A.), Associate in Science (A.S.), and Associate in Applied Science (A.A.S.) degrees, as well as a variety of certificate programs. Offering the lowest college tuition on Long Island, a highly respected Honors program, extensive extracurricular activities, championship athletic teams, and numerous unified transfer programs, SCCC is a first-choice college for Long Island students.
