**SUFFOLK COUNTY COMMUNITY COLLEGE'S AMMERMAN CAMPUS
BUSINESS AND ACCOUNTING CLUB MAKES DONATION TO ADOPT-A-FAMILY**

Selden, NY - The Business and Accounting Club at the Ammerman Campus of Suffolk County Community College recently held a 3-on-3 basketball tournament as a fundraiser. More than 15 teams and 60 students competed to raise money to help two local families in need through the Adopt-a-Family program. The students augmented their monetary donation with additional gifts purchased on their own for the families.

The Adopt-A-Family program matches families with individual or group sponsors to provide for their tangible needs at Christmas. Without the benefit of an adoption, the families would experience a very grim holiday. Being adopted is designed to be a once or, on very rare occasions, twice in a lifetime event for recipient families.
