About Suffolk Community College Foundation

The Suffolk Community College Foundation is a nonprofit organization founded to raise money to support the mission of Suffolk County Community College - the largest community college in the State University of New York (SUNY) system, enrolling more than 26,000 students at its three campuses in Selden, Brentwood and Riverhead. While scholarships comprise the largest use of the assets of the Foundation, contributions also help fund emergency student loans, staff development, academic enrichment programs, and activities to enhance the community's awareness of the College.
