**OPEN HOUSE AT ALL SUFFOLK COUNTY COMMUNITY COLLEGE CAMPUSES  
SCHEDULED FOR SUNDAY, NOVEMBER 3, 2013**

Selden, NY - On Sunday, November 3, 2013 from 1:00 p.m. to 3:00 p.m., Suffolk County Community College will host an Open House for prospective and accepted students at the following campus locations:

*Ammerman Campus in Selden - Babylon Student Center*  
*Michael J. Grant Campus in Brentwood - Sagtikos Arts & Sciences Building*  
*Eastern Campus in Riverhead - Peconic Building*

Faculty and administrators will be on hand to offer detailed information regarding the more than 70 degree programs of study and 30 certificate programs available at the College. Educational and transitional services information for Veterans will also be available at the Open House. Financial aid representatives will discuss the grants and loans process, as well as the many scholarships available at the College. Members of the admissions staff will be in attendance to guide students and parents through the admissions process and to answer questions. The Open House program also includes useful information for recently-accepted students, who will have the opportunity to learn more about placement testing, academic advisement and financial aid.

“Whether you have already been accepted to Suffolk County Community College or are a prospective student, making a personal visit to a campus is critical to the college decision-making process,” said Joanne E. Braxton, Suffolk’s Dean of Enrollment. “We welcome students and their families to join us at our upcoming Open House, where they will find a dynamic overview of the academic programs and student support services available at the College. They will also have the opportunity to tour the campus with student guides, who are available to answer questions based upon their own experience as students.”

In light of the increased demand for access to community colleges, the best way to secure admission to Suffolk County Community College for the spring 2014 semester is to attend Open House and apply for admission early.

The Ammerman Campus in Selden is located on Nicholls Road, north of Exit 62 of the LIE. The Michael J. Grant Campus is located on Wicks Road, south of Exit 53 of the LIE in Brentwood. The Eastern Campus is located on County Road 51, three miles south of the County’s Riverhead Center. Driving directions for all campus locations can be found at:
