**SUFFOLK COUNTY COMMUNITY COLLEGE HOSTS OPEN HOUSE ON
ALL CAMPUSES ON NOVEMBER 7, 2010**

Selden, NY - On Sunday, November 7, 2010 from 1:00 p.m. to 3:00 p.m., Suffolk County Community College will host an Open House for prospective students at the following locations on its three campuses:

Babylon Student Center on the Ammerman Campus in Selden
Sagtikos Arts & Sciences Building on the Michael J. Grant Campus in Brentwood
Peconic Building on the Eastern Campus in Riverhead

Faculty and administrators will be on hand to offer detailed information regarding the more than 65 programs of study available at Suffolk County Community College. Financial aid representatives will discuss the grants and loans process as well as the many scholarships available at SCCC. Members of the admissions staff will also be available to guide students and parents through the admissions process and answer questions about attending SCCC.

“Making a personal visit to a campus is a critical piece of the college decision making process,” said Dr. Kate Rowe, SCCC’s Dean of Enrollment Management. “We welcome students and their families to join us at our upcoming Open House, where they will find a dynamic overview of the academic programs and student support available at SCCC. They will also have the opportunity to tour the campus with student guides, who are available to answer questions based upon their own experiences at the College.”

The Open Houses are an excellent way for current high school students and adults considering a college education to explore the many educational programs offered at Suffolk County Community College. In light of the increased demand for access to community colleges, the best way to secure admission to Suffolk County Community College for the Spring 2011 semester is to attend Open House and once you have decided to attend SCCC, apply for admission early.

The Ammerman Campus in Selden is located on Nicholls Road, north of Exit 62 of the LIE. The Michael J. Grant Campus is located on Wicks Road, south of Exit 53 of the LIE in Brentwood. The Eastern Campus is located on County Road 51, three miles south of the County’s Riverhead Center. Driving directions for all campus locations can be found at:

Suffolk County Community College (SCCC) is the largest community college in the State University of New York (SUNY) system, enrolling approximately 25,000 students at its three campuses in Selden, Brentwood and Riverhead. SCCC offers the Associate in Arts (A.A.), Associate in Science (A.S.), and Associate in Applied Science (A.A.S.) degrees, as well as a variety of certificate programs. Offering the lowest college tuition on Long Island, a highly respected Honors program, extensive extracurricular activities, championship athletic teams, and numerous unified transfer programs, SCCC is a first-choice college for Long Island students.
