CASH ADVANCE POLICY

A. INTRODUCTION

In limited circumstances, Suffolk Community College Association, Inc. (Association) permits cash advances to employees in support of programs and events underwritten by student activity fees. While it is always preferable to reimburse receipts rather than advance money in support of approved student activities, the Association recognizes that cash advances are sometimes necessary and are, at times, the best available option. Any such cash advances must be carefully documented and tracked, and procedures and protocols established by the Association must be strictly followed in order to ensure accountability and compliance with all applicable federal and state laws, rules and regulations.

B. CASH ADVANCES FOR TRAVEL/MEALS

Cash advances are permissible for travel and meals in order to facilitate approved activities underwritten by student activity fees with a start and end date. Cash advances are to be made by check and must be reconciled within ten (10) days of the activity end date.

C. CASH ADVANCES FOR GIFT CARDS/ CERTIFICATES

A cash advance requested to purchase gift cards/ certificates requires appropriate documentation, in compliance with the Association Gift Card/Certificate Policy and procedures.

D. NONCOMPLIANCE WITH CASH ADVANCE POLICY

If the recipient of a cash advance fails to adhere to the procedures established by the Association by properly substantiating expenditures or accounting for the return of any unspent monies, it will result in a forfeiture of future cash advances and the requirement that the cash advance be paid back, in full, to Suffolk Community College Association, Inc.
