FACILITIES USE POLICY

I. Introduction

The primary purpose for the facilities at Suffolk County Community College is to fulfill the mission and vision of the College. The College is committed to being a vital resource to the larger community. Thus, subject to the guidelines set forth below, the College welcomes community groups and organizations to use its facilities for purposes compatible with the College's mission, as solely determined by the College.

II. General Guidelines Applicable to Use of All College Facilities and Properties

- A. Upon submission and approval of an *Application for Use of Facilities by External Organizations* form, as detailed below, a license agreement, which shall include the following provisions, among others, will be executed by both the external organization and Suffolk County Community College.

1. Insurance Requirements

All organizations must submit evidence of insurance coverage in accordance with College policy, including, but not limited to, comprehensive general liability insurance in the amount of \$2 million combined single limit for bodily injury and property damage per occurrence for the period of the proposed event.

If two or more organizations are sponsoring one event, either one may obtain the certificate, provided that the other organization is named as an additional insured on such certificate. If the event is co-sponsored by a College club, organization or department, the external organization will be required to provide a certificate of insurance. At the discretion of the College, occasional seminars and meetings of small groups may not require certificates of insurance.

All certificates of insurance must name both the College and the County of Suffolk as additional insureds. In certain circumstances, the Suffolk Community College Association, Inc. must also be included as an additional insured.
