## Policy 3002: EXEMPT SALARY AND BENEFITS PLAN

**Policy Category:** Human Resources

**Responsible Executive:** Vice President for Human Resources

**Related Procedures and Documents:** none

**Related College Policies:** none

---

### I. SCOPE

This Exempt Salary and Benefits applies to and is binding on all current College employees and candidates for employment who are classified as Exempt employees pursuant to this Policy.

### II. POLICY

The Exempt Salary and Benefits Plan (the "Plan") of Suffolk County Community College ("College") is designed to fairly compensate the College's Exempt employees in a manner that is competitive with its national peer institutions, thus eliminating barriers to the recruitment of qualified applicants. *Exempt employees* are full-time College employees who do not belong to and are not represented by a collective bargaining unit; are at-will employees who serve at the pleasure of the College President; are paid an annual salary; and are not eligible for overtime compensation.

The goals of the Exempt Salary and Benefits Plan are as follows:

- Enhance the College's ability to attract the most qualified external and internal candidates for Exempt positions;
- Enhance the College's ability to retain those Exempt employees whose skills are critical to the success of the College; and  
Recognize the greater scope, complexity and responsibility of Exempt positions in order to appropriately align their compensation and benefits within the job market.

Step increases will take effect on September 1 of each year. Exempt employees will be eligible for a partial to full step based on performance. At the College's discretion, a market study may be conducted for some or all of the exempt positions. Based on the results of the market study, the salary schedule may be revised for the College to remain competitive for purposes of recruitment and retention.
