

Articulation Agreement
Between SUNY Cortland and Suffolk County Community College
Associate of Arts in Liberal Arts and Sciences and
Bachelor of Science in Physical Education

I. General Statement of Purpose:

This document establishes a formal transfer agreement between SUNY Cortland's Bachelor of Science in Physical Education program and Suffolk County Community College's Associate of Arts in Liberal Arts and Sciences program.

II. Objectives:

- A. This program is designed to create a seamless transfer process for students from Suffolk County Community College into SUNY Cortland.
- B. To attract highly qualified students to both colleges.

III. Eligibility/Admission Requirements:

- A. Suffolk County Community College students must complete an Associate of Arts degree in Liberal Arts and Sciences before entrance into SUNY Cortland's Physical Education program.
- B. Suffolk County Community College students must meet the academic requirements for admission including specific coursework as outlined in the attached proposal.
- C. Suffolk County Community College students must complete a minimum of seven of the ten General Education Requirements. (The curricula outlined will satisfy 7 to 10 SUNY General Education Requirements.)
- D. Suffolk County Community College students must complete the application process of SUNY Cortland.

IV. Benefits/Advantages:

- A. Junior status for degree and financial aid purposes.

- B. Guidelines for completion of program at SUNY Cortland and direct contact for advisement promote an easier transition for qualified students.
- C. Students receive waiver of the Cortland General Education Requirements (not SUNY GE Requirements).
- D. Eligibility to participate in internships and study abroad programs.
- E. Suffolk County Community College students are eligible for transfer scholarships.
- F. Suffolk County Community College students will be advised by a representative of the Physical Education Program.

V. Terms of Agreement:

- A. Admission requirement: An overall grade point average of 2.5 is required for admission to SUNY Cortland. It must be noted, however, that program admission standards, depending on the applicant pool, may be significantly higher.
- B. The maximum number of credits that can be applied toward the Cortland degree is 64.
- C. Suffolk County Community College students agree to provide a final transcript with their degree stated.
- * D. This articulation agreement will be maintained on an annual basis through contact between department chairpersons.
- E. Each institution will be responsible for making this agreement viable and workable for interested students.
- F. Each institution may engage in publication and marketing of this agreement.
- G. SUNY Cortland and Suffolk County Community College agree that future changes in the SUNY Cortland Physical Education Program will create necessary commensurate changes in this agreement.
- H. SUNY Cortland and Suffolk County Community College agree to share all course related materials from common courses in the Physical Education program at SUNY Cortland and the Liberal Arts and Sciences program at Suffolk County Community College.
- I. Half of the credits in the major and a minimum of 45 hours of course work must be completed in residency at Cortland.
