Section 9

Unless you list the child's food stamp, FDPIR or TANF case number or are applying for a foster child, Section 9 of the National School Lunch Act requires that you include the social security number of the household member signing the application or indicate that the household member signing the application does not have a social security number. You do not have to list a social security number, but if a social security number is not listed or an indication is not made that the adult household member signing the application does not have a social security number, we cannot approve the application. The social security number may be used to identify the household member in verifying the correctness of the information stated on the application. This may include program reviews, audits and investigations and may include contacting employers to determine income, contacting a food stamp, FDPIR or TANF office to determine current certification for food stamps, FDPIR or TANF benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims or legal actions if incorrect information is reported.

Definition of Income

"Income" means income before deductions for income taxes, social security taxes, insurance premiums, charitable contributions, and bonds, etc. It includes the following: (1) monetary compensation for services, including wages, salary, commissions or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) social security payments; (5) dividends or interest on savings or bonds, income from estates or trusts or net rental income; (6) public assistance or welfare payments; (7) unemployment compensation; (8) government civilian employee or military retirement, or pensions or veteran's payments; (9) private pensions or annuities; (10) alimony or child support payments; (11) regular contributions from persons not living in the household; (12) net royalties; (13) military benefits received in cash, such as housing allowance; and (14) any other cash income.

Definition of Household

Household means "family" as defined in Section 226.2. "Family" means a group of related or non-related individuals who are not residents of an institution or boarding house, but who are living as one economic unit.

INSTRUCTIONS FOR COMPLETING DOH-3688

Instructions for Parents or Guardians:

Write in the name of the day care center in the space provided.

Print the name of each child in your household who attends this day care center.

Section A: If your household receives Temporary Assistance for Needy Families (TANF) or Food Stamps or participates in the Food Distribution Program on Indian Reservations (FDPIR), complete Section A only. Write down the TANF, FS or FDPIR number (do not use your ACD or DSS child care subsidy number) and sign and date the form and return it to the day care center.

Foster children: If your household includes a foster child who is in day care, complete Section A only. Write in the foster child's name and any income that the child receives from social services for his or her personal use. Write in "0" if the foster child does not receive any income. A separate application must be completed for each foster child. The foster parent or an official who represents the child must sign and date the form and then return it to the day care center.

Section B: Write in the names of all the people living in your household, even if they do not have any income. Include yourself and all other adults and children in the household, including unrelated people. Do not include the children in day care, who are listed at the top of the form.

Enter the amount of income each person received **last month**, before taxes or anything else was taken out. Refer to the Definition of Income and the Definition of Household on the reverse side of the application. If any amount last month was more or less than the usual, write in that person's usual income. The signature and social security number of the adult signing the certification is required. If you do not have a social security number, write "none".

Instructions for Centers and Sponsors

The "For Sponsor Use Only" section is to be completed, signed and dated by day care center or sponsor staff.

The sponsor/center representative must review the income eligibility application and ensure that it is completed as indicated in the instructions above. Then indicate the following:

The sponsor agreement number.

Total household members – This item does not have to be completed if the parent completed Section A. Add those indicated in Section B (if completed) to the children enrolled in day care.

Total Income – This item does not need to be completed if the parent completed Section A. Indicate the total monthly income as calculated from Section B. If the parent chooses not to disclose income, the application must be categorized as "paid."

Free, Reduced or Paid – Compare the total household income and the total number of household members with the current year's Income Eligibility Guidelines (DOH-3687) to determine if the household should be categorized as **Free, Reduced** or **Paid**. Use the appropriate column on the DOH-3687 to categorize their income. For example, if the parent indicated biweekly income, multiply this amount by 2.15 to determine monthly income, or by 26 to determine yearly income.

Incomplete applications (missing signatures, income information, social security numbers, TANF FDPIR or Food Stamp numbers) are categorized in the paid category.

The income eligibility application is valid for one calendar year only.
